Woodmarque is a family business founded on an Irish craft tradition. Our work depends on the close relationship we cultivate between you, our client, and us, the maker.

With full-scale, life-size sets, our large showroom is unlike any other in Ireland. Everything item is made-to-measure. You can see your furniture in our factory before delivery and fit-out. In fact, you can see our work at virtually any stage of production. So pay us a visit and get inspired. Here, you can pick products, get ideas, see samples and take your time looking at everything we have to offer.

Explore our high-quality solid wood furniture, all in a relaxed country setting. With a variety of

styles, options and finishes to choose from, you'll find design-focused products made to last. And as a family business, we understand the value of taking time to get things right.

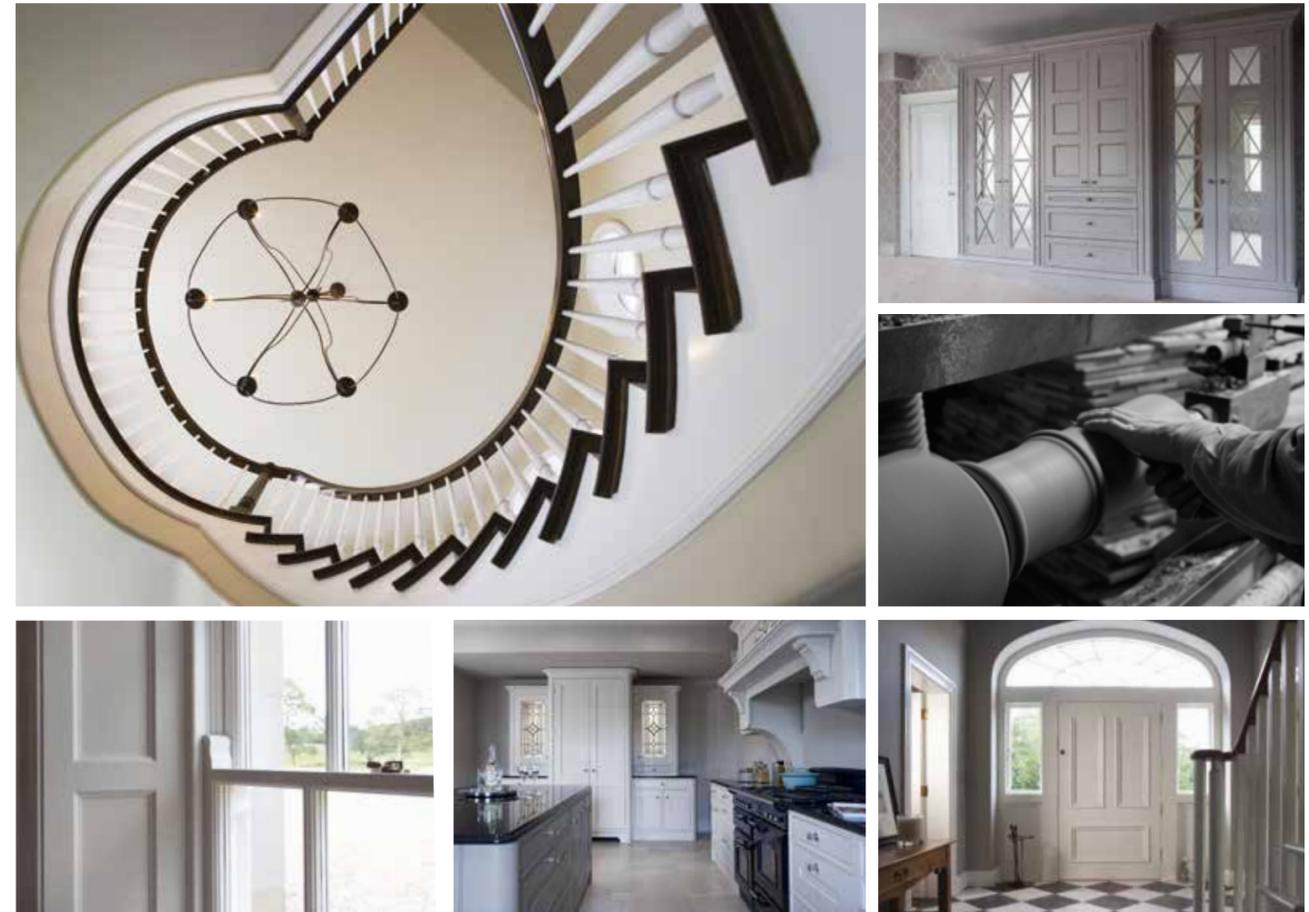

So when you visit, we'll take time to answer all your questions, and offer you expert advice and guidance. We want your visit to be an inspiring experience. So we recommend calling ahead to schedule an appointment. That way you'll be guaranteed the one-to-one attention of a member of our team.

Woodmarque is a family business founded on an Irish craft tradition. Our work depends on the close relationship we cultivate between you, our client, and us, the maker. From sourcing quality wood to building bespoke furniture, we work tirelessly to achieve perfection. That's why no Woodmarque piece leaves our studio without being checked by a member of our family. We believe every piece is special and has its own story to tell. It's why we do everything in our power to make it perfect.

Woodmarque are passionate about creative collaboration. We work with architects and designers to provide bespoke furniture and joinery for clients who demand top-quality craftsmanship. We strive to make life easier for our design partners. That's why we provide support, advice, and input at any stage of the process. And we're happy to lend our expertise to any project, large or small.

Whether you need us to create the perfect bespoke piece to complement an existing design, or if you would like us to play a larger creative-design role, we're here to help. Whatever the need, we can work to your specifications and deliver made-to-measure solutions that will work seamlessly with your overall vision. With decades of hands-on experience and a commitment to design integrity, Woodmarque can be counted on to bring industry-leading talent and expertise to any project.
